Rev. Vaughan & Ellen Colebrook are the Senior Pastors of Miracle Ministries. Their ministry was pioneered in Australia as a Healing and Miracle ministry with the commission to "tear down the barrier of mystery surrounding healing & miracles".

Both Vaughan and Ellen experienced the miraculous healing power of God in their lives. They discovered that God could do today what He did in Biblical times. When the Lord called Vaughan to a full time healing ministry, his answer was "Yes Lord, but you have to show me how to make it work."

So often Christians are told and encouraged to be about fulfilling the works of God, but they are not taught how. Over the last 24 years they have taught hundreds of schools of believers to move in the Gifts of Healing and the Working of Miracles. The School of Miracles is a practical course laying solid Biblical foundations for the Ministry of Salvation, Baptism of the Holy Spirit, Healing, Working of Miracles and setting people free from Satan's captivity.
